Announcement Regarding Posting of Extraordinary Loss

FDK CORPORATION (“FDK”) announces that it has posted extraordinary loss for the first half (from April 1 to September 30, 2012) of the year ending March 31, 2013, as follows:

1. Extraordinary Loss

With respect to the products sold in prior periods, FDK had discrepancies on these product specifications with the customer and has been negotiated toward a solution.

FDK has posted an extraordinary loss of 239 million yen as contribution money as we have reached an agreement to bear some of the costs required to replace those products for the customer and confirmed to expand future business by mutual cooperation.

2. Impact on Business Results

The consolidated financial forecast for the fiscal year 2012 ending March 31, 2013 is stated in the “Announcement of the Revised Financial Forecast” and the “Consolidated Financial Results for the First Half of FY2012”, which are released today.
