Announcement of Results of the Tender Offer for our Shares by SILITECH TECHNOLOGY CORPORATION, and of Changes in Parent Company, Other Related Company, and the Largest Shareholder as a Major Shareholder

As the tender offer (“Tender Offer”) for our shares conducted by SILITECH TECHNOLOGY CORPORATION (“SILITECH”) from February 13, 2025 ended on March 13, 2025, FDK CORPORATION (“FDK”) hereby announces the following.

Additionally, FDK hereby also announces that as a result of the Tender Offer, it is expected that changes will occur as follows in our parent company, other related company, and major shareholder as of March 21, 2025 (the commencement date of settlement of the Tender Offer).

I. Results of the Tender Offer

FDK received a report from SILITECH on March 13 regarding the results of the Tender Offer.

As the total number of share certificates, etc. tendered in the Tender Offer was greater than the minimum number of shares sought for purchase, the Tender Offer was successfully completed.

II. Changes in Parent Company, Other Related Company, and Major Shareholder

1. Planned Date of Changes

March 21, 2025 (the commencement date of settlement of the Tender Offer)

2. Reason of Changes

FDK received a report from SILITECH on March 13 to the effect that SILITECH will acquire 15,527,400 shares through the Tender Offer.

As a result, after the settlement for the Tender Offer is conducted on March 21, 2025 (the commencement date of settlement for the Tender Offer), the ratio of the total number of voting rights held by SILITECH to the total number of voting rights held by all shareholders of FDK will be 45.00%, and accordingly SILITECH will newly become an other related company, the largest shareholder as a major shareholder of FDK as of the same day. On the other hand, Fujitsu Limited (“Fujitsu”), which was the parent company, the largest shareholder as a major shareholder of FDK, will cease to be the parent company, the largest shareholder of FDK although it will remain a major shareholder of FDK, according to SILITECH, since Fujitsu has entered into the Tender Agreement with SILITECH on February 12, 2025 and tendered all of its shares of FDK in the Tender Offer; however, as the total number of tendered shares exceeded the planned purchase amount and the sale was allocated proportionally among the tendering shareholders, after the settlement for this Tender Offer is conducted, Fujitsu will hold 6,071,022 shares (the ratio of the total number of voting rights held by Fujitsu to the total number of voting rights held by all shareholders of FDK will be 17.59%) in FDK.

III. Future Prospects

As stated in the “Announcement of the resolution to issue an opinion in support of a tender offer for our shares by SILITECH TECHNOLOGY CORPORATION” announced by FDK on February 12, 2025, since SILITECH plans to maintain the listing of our shares and respect the voluntary management of us as a listed company, our shares will remain listed on the Tokyo Stock Exchanges Standard Section even after the Tender Offer.

FDK will promptly disclose any impacts of these changes in parent company, other affiliated company, and major shareholder on our performance, if any matter arises that should be announced in the future.
